The screenshot shows a remote desktop connection to a Windows 7 desktop. The main window is titled 'NURS096873 - Remote Desktop Connection' and contains an Adobe Connect meeting interface for a session named 'PEDI SIM (Collaboration) - Adobe Connect'. The interface includes a top menu bar with 'Meeting', 'Layouts', 'Pods', and 'Audio'. A large video area on the left is currently blank with a 'Start My Webcam' button. On the right, there is a 'Chat (Everyone)' window with a list of messages from participants like LaShon, Shayla Elliott, Nicole Wright, James Alexander, and Mary Wellington. Below the chat is an 'Attendees (1)' list showing 'Jenny Raje' as the only active participant. The Windows taskbar at the bottom shows several open applications, including 'Glo', 'Memory Manager 4', 'Web Surf & Share Pix...', 'Receipts', '7zDecode', 'BSTIEPrint...', 'Delight Surfer', 'Digital', 'Free Parking', 'Nike+ Connect', 'Primary Easter Digit...', 'Primary Zoo Digital PP...', and 'SDO IST 2012'. The system tray in the bottom right corner displays the time as 10:29 PM on 11/14/2013.
